Hand Pallet Truck Scale **RAVAS 2100 Exi**

available with certification • ATEX

Technical specifications

PWS9220261106

RAVAS 2100 Exi is a mobile weighing instrument that combines absolute ease of use and reliability in measurement with excellent performance in terms of load capacity. It can be used simply as a mobile scale or, with the implementation of dedicated functions, it can work as a piece counter, manage and control dosages, print, transmit wireless data, etc. In addition, RAVAS 2100 Exi has antistatic guide wheels, it switches off automatically after 3 minutes of non-use, indicates gross weight and net weight and is also available in special versions with stainless steel structural work and ATEX certification.

Rated load (RL):	2.200 Kg
Display:	LCD h 18 mm
Material:	Stainless steel
Degree of protection:	load cells IP67, Indicator IP65
Weight:	130 kg
Charger:	230V/8Vdc - 1 A; not for use in hazardous areas
Battery:	intrinsically safe, approved KEMA 02ATEX2343 number BU-2100-Exi, 8Vdc/3.5 Ah, rechargeable, interchangeable, maintaining zero
Accuracy:	0.1 % RL
Divisions:	Multirange divisions: 0.2 Kg (0 ÷ 200 kg); 1 kg (500 ÷ 2200 kg)

All indicated data may be changed without notice.
All the measures indicated are expressed in millimeters (mm).
